The Payton Wright Foundation has been assisting families with a child battling brain and spinal cord cancer since 2008 after Payton lost her battle with brain cancer on May 29, 2007. In honor of Payton's 21st Birthday, the Foundation will be sponsoring a fundraising cruise to the Caribbean on the newest Royal Caribbean ship, Wonder of the Seas.

At least \$100 of every cruise fare will go directly to the Foundation. The final proceeds to the Foundation will be dependent upon the number of cabins sold.

Join us for a week of sunshine, laughter, memories and celebrating Payton's special day while raising funds to help more families whose children are battling brain and spinal cord cancers.
